PRELIMINARY PLAT SUBMITTAL INFORMATION

- A. Pre-Development Meeting.** The applicant is required to have a pre-development meeting with city staff to review rules, regulations and proposed development. It is the applicant's responsibility to make sure they have the most recent copy of the *Technical Specifications for Public Improvement Projects and the Design Criteria for Public Improvement Projects*.
- B. Application.** The subdivision application form shall be filed with the Zoning Administrator and shall be accompanied by 1 copy of the preliminary plat and a PDF digital format on a flash drive of the preliminary plat and the street trees and master landscape plan. The appropriate fee shall be paid upon filing the application.
- C. Preliminary Development Plan as Substitute for Preliminary Plat.** Where property has been zoned to a planned zoning district, an approved preliminary development plan may substitute for a preliminary plat where said preliminary development plan contains all information required for preliminary plats as set forth in Section 17.372.C.3, Preliminary Plat Contents.
- D. Preliminary Plat Contents.** The following information shall be shown on the preliminary plat or attached hereto:
- a. Items Pertaining to the Title:
 - i. The name of the proposed subdivision.
 - ii. Location of the subdivision by reference to a section corner.
 - iii. The name(s) and address(es) of the owner(s)/developer and the licensed surveyor, architect, or engineer who prepared the plat.
 - iv. North arrow.
 - v. Scale of drawings (The preliminary plat shall be drawn to a scale of not less than 1 inch = 100 feet; however, with special conditions and prior approval, this scale may be exceeded).
 - vi. The legal description of the entire dimension of the subdivision.
 - b. Items Pertaining to the Subject Property (Existing):
 - i. All of the land to be platted as well as all platted or unplatted adjacent properties shall be shown. A heavy solid line should accurately indicate the boundary of the platted area.
 - ii. Existing contours with the contour intervals not more than five feet. All elevations and contours shall be related to mean sea level.
 - iii. The location, width and names of all existing platted or private streets or other public ways within or adjacent to the tract, together with easements, railroad and utility rights-of-way, parks and other significant features such as city boundary lines and monuments.
 - iv. Environmental features, including the location and direction of drainage channels and areas subject to one hundred-year flood, including those areas identified by flood studies prepared by the Johnson County Storm Water Management Program.

c. Items Pertaining to the Plat (Proposed):

- i. Layout and names of streets, with general dimensions and appropriate grades and their relationship to adjoining or projected streets or roadways.
- ii. Intended layout, zoning, numbers, and dimensions of lots.
- iii. Parcels of land intended to be dedicated or reserved for parks, school or other public use, or to be reserved for the use of property owners within the subdivision.
- iv. A preliminary plat will not be approved without a plan showing how water and sanitary sewers will serve it.
- v. Location and type of utilities to be installed, including the approximate location of extensions of any sanitary and/or storm sewers and water mains.
- vi. Utility and other easements, indicating width and purpose.
- vii. A statement or other indications of phasing of the development and an appropriate timetable if applicable.
- viii. Vicinity sketch which indicates the relationship between the proposed subdivision and the surrounding properties, streets and other features.

d. Items to Accompany the Plat:

- i. A certified list of the names and addresses of owners of record of lands located within at least 200 feet of the area proposed to be platted in the city limits; and the area of notification shall be extended to at least 1,000 feet in the unincorporated area when properties proposed to be platted are located adjacent to or outside of the city limits; or 1,000 feet in the growth area, of the proposed platted area in accordance with Section 17.364.E of the City of Spring Hill Zoning Ordinance. Twenty days prior to the meeting, the City Clerk shall mail to each party a courtesy letter with information about the plat application and the meeting date and location the Planning Commission will consider the application. *The applicant may submit the same certified list of owners of record of lands located either within: 200 feet in the city limits; 1,000 feet in the unincorporated area adjacent to or outside of the city limits; or 1,000 feet in the growth area, submitted for a preliminary plat application, provided the application for preliminary plat is made within six months of the approval of such rezoning.*
- ii. Proof of adequate public facilities as set forth by Section 17.370.F.

E. Studies. The applicant shall furnish a traffic impact study and a storm water runoff study pertaining to the preliminary plat.

F. Effect of Approved Preliminary Plat. Approval of the preliminary plat does not constitute final acceptance of the subdivision by the Governing Body. It establishes the overall layout and design of the proposed subdivision and authorizes the applicant to prepare a final plat. Any deviation of the final plat from the intent of the approved preliminary plat as determined by the Planning Commission shall be disallowed and shall cause the re-initiation of the preliminary platting process.

Preliminary Plat Application
