- 1) Financed Principal and Interest columns for General Obligation Debt are not totaled because some issues have been refinanced which would cause the total to be overstated.
- 2) The purpose of refunded or refinanced issues is to accomplish interest savings for the remainder of the debt payments.
- 3) Lease purchase financing may be used for a variety of financing needs; however the City has traditionally used them for purchase of vehicles and equipment when cash is not readily available. Taxable issues include expenses that are not tangible in nature such as professional services and generally have a slightly higher interest rate.
- 4) Temporary Notes are used for short-term financing of a project. Once final project costs are known, the temporary note will be refunded with long-term general obligation bonds (generally 10, 15 or 20 years).

Questions related to debt reporting may be directed to Lou Ann Armstrong, Finance Director, City of Spring Hill, Kansas
